

2015/16 - Parent U Workshop Series

Guidance for Parents of Children with Hearing Loss and Auditory Processing Disorders

Liz Ying, Director, CHC's Speech and Language Services

Please join the **Center for Hearing and Communication** for a series of free educational workshops and other gatherings for parents of children with hearing loss and auditory challenges seeking guidance on educational, emotional, and social issues.

Contact us at (917) 305-7840 or agibbs@CHC hearing.org to learn more or RSVP. Workshops take place 6-8PM at 42 Broadway unless otherwise noted.

Nov. 9 at 6PM (note new date) – Open House at the Center for Hearing and Communication
Visit CHC's refurbished therapy space at 50 Broadway and meet the interdisciplinary team of clinicians dedicated to your child's listening, language, social-emotional, and educational development.

Oct. 7 – Writing and Literacy Workshop

Dana Selznick, deaf education specialist, offers learning strategies for parents of children with hearing loss and auditory challenges, preschool through elementary school.

Oct 20 – Working Memory and Executive Function Workshop

Zara Waldman DeLuca, Ph.D., CF-SLP/TSSLD facilitates a workshop for parents of kids with hearing loss and auditory processing disorders, elementary through high school.
